MEDIA RELEASE

Beach Park Shooting

On March 7, 2023, at approximately 9:30 p.m., Lake County Sheriff's Deputies responded to the 38000 block of North Manor Avenue, Beach Park, for a report of shots fired. Sheriff's deputies arrived and located a home that was shot. Nobody was shot or injured during the incident.

Preliminary investigation shows a dark colored vehicle slowed in front of the victims' home, which appears to be specifically targeted. Occupants in the vehicle then shot toward the targeted home.

While assisting the victims in the home and processing the evidence, sheriff's deputies and evidence technicians were asked by the victims to leave. The occupants indicated they did not want the assistance of the sheriff's office in processing their home for evidence, without the sheriff's office obtaining a search warrant.

While the victims appear to be uncooperative, sheriff's detectives will continue to investigate.
